

Kelley's Corner Plan Release

February 4, 2016 @ 7:00pm
Town Hall Room 204
472 Main Street

Kelley's Corner plan:

1.) Promotes development that creates an attractive and coherent town center:

- Gives Town ability to work with developers early on to create desirable development
- Defines and applies excellence in design guidelines
- Enables mixed-use development opportunities

2.) Improves traffic flow:

- Upgrades traffic signals to reduce congestion
- Adds turning lanes
- Reduces and coordinates access points

3.) Provides safe & social connections for bikers and walkers:

- Builds comprehensive sidewalk system
- Creates bike lanes
- Formalizes pathways from schools to Kelley's Corner

4.) Beautifies public spaces:

- Enhances streetscape by adding street islands, attractive crosswalk markings, and clear signage
- Creates an inviting destination for pedestrians by incorporating lighting, trees, shrubs, grass, seating, and small pocket parks for respite and play
